**PUBLIC REPRIMAND**

The Nevada State Board of Osteopathic Medicine (Board) received a complaint alleging Jan Lester Pring, D.O. (License No. DO1578), failed to sign a death certificate for one of his deceased patients within the 48-hour period required by Nevada law. The Board alleged that Dr. Pring's failure constituted unprofessional conduct within the meaning of NRS 633.511(1)(a).

The Board and Dr. Pring agreed to resolve the complaint via a Settlement Agreement and Order, which includes a public reprimand. The Board approved the Settlement Agreement and Order at its March 10, 2020 meeting.

Therefore, pursuant to the Settlement Agreement and Order, Dr. Pring is hereby publically reprimanded for the conduct described herein. It is expected that Dr. Pring will not repeat this conduct in the future, and should he, the Board may take such disciplinary action as it deems needed to assure future compliance with Nevada law.
