BEFORE THE NEVADA STATE BOARD OF OSTEOPATHIC MEDICINE

IN A MATTER INVOLVING

SHOIB MYINT, D.O., LIC. 1307, Respondent.

CASE NO. MA 1003041

SETTLEMENT AGREEMENT AND ORDER

I. PARTIES

This Settlement Agreement and Order ("Agreement and Order") is made by and between Daniel K. Curtis, D.O., Investigative Board Member ("Dr. Curtis" or "Investigative Board Member") for the Nevada State Board of Osteopathic Medicine ("the Board") through the Board’s Counsel/Executive Director, Dianna Hegeduis, Esq., and Shoib Myint, D.O. ("Dr. Myint") (collectively referred to as "the Parties").

II. RECITALS

As a preamble to this Agreement, the Parties agree to the following:

A. WHEREAS, the Board, through the Investigative Board Member, ascertained certain information regarding litigation filed against Dr. Myint. The information was ascertained as a result of the Board’s staff due diligence in investigating its applicants/licensees.

B. WHEREAS, the Investigative Board Member ("IBM") has alleged as follows:

(1) Re: patient “J.W.” Suit was filed in Michigan in approximately November 2005 and settled on or about September 7, 2006. The physician did not timely report the dismissal of the lawsuit. (2) Re: patient “M.K.” Suit was filed in Michigan in February 2007, and the matter settled in August 2009. The physician did not timely report the filing of the lawsuit or the resolution of the matter. Additionally, the physician did not note the commencement or the settlement of the lawsuit on the renewal applications for 2008 and 2010, respectively, but responded "no" to the question about malpractice actions. The IBM has alleged such acts violate NRS chapter 633 as discussed hereinafter.

C. WHEREAS, NRS 633.527(1) states that a licensed "osteopathic physician shall report to the Board: (a) any action for malpractice against the osteopathic physician not later than 45 days after the osteopathic physician receives service of a summons and complaint for the action; (b) any claim for malpractice against the osteopathic physician that is submitted to arbitration or mediation not later than 45 days after the claim is submitted to arbitration or mediation; (c) any settlement, award, judgment or other disposition or any action or claim described in paragraphs (a) or (b) not later than 45 days after the settlement, award, judgment or other disposition; and (d) any sanctions imposed against the osteopathic physician that are reportable to the National Practitioner Data Bank not later than 45 days after the sanctions are imposed. NRS 633.527(2) states that should the Board find "that an osteopathic physician has violated
any provision of this section, **the Board may impose a fine of not more than $5,000 against the osteopathic physician for each violation, in addition to any other fines or penalties permitted by law.**” (Emphasis added.) This statute was added to the law in 2003. By the use of the word “shall” by the Nevada State Legislature in this statute, the Legislature intended to mandatorily require all osteopathic physicians to report any of the four (4) events mentioned in the statute.

D. WHEREAS, NRS 633.131(1) defines “unprofessional conduct” as including “willfully making a false . . . statement . . . in applying for a license to practice osteopathic medicine or in applying for renewal of a license to practice osteopathic medicine.”

E. WHEREAS, and pursuant to NRS 633.511(1), “unprofessional conduct” is a ground for initiating a formal disciplinary proceeding; and such discipline may include public reprimands, the suspension or revocation of the license to practice osteopathic medicine in the State of Nevada, and an assessment of a fine not to exceed $5,000 per violation.

F. WHEREAS, NRS 622.400(1) states that a “regulatory body [such as this Board] may recover from a person reasonable attorney’s fees and costs that are incurred by the regulatory body as part of its investigative, administrative and disciplinary proceedings against the person if the regulatory body” either enters a final order or enters into a settlement agreement.

G. WHEREAS, the parties have agreed to settle this matter, rather than requiring the Board to file a formal disciplinary complaint.

H. WHEREAS, the parties understand that this Agreement will be signed by the respective parties and will then be offered to the Board for the entire Board’s approval at the next Board meeting, with the recommendation of the Investigating Board Member that this matter be settled. The Agreement shall not become effective until it has been approved by a majority of the Board and endorsed by a representative member of the Board.

I. WHEREAS, Dr. Myint understands that the Board is free to accept or reject this Agreement and, if rejected by the Board, a formal disciplinary complaint may be filed and a hearing scheduled on the same. The Board members who review this matter for approval of this Agreement may be the same members who ultimately hear the disciplinary complaint if this Agreement is not approved by the Board. Dr. Myint hereby agrees to waive any rights he might have to challenge the impartiality of the Board to hear the disciplinary complaint, based on prior knowledge obtained by the Board through consideration of this Agreement, if after review by the Board, this Agreement is rejected. Furthermore, if the Board does not accept the Agreement, it shall be regarded as null and void.

J. WHEREAS, Dr. Myint acknowledges that the Board will retain jurisdiction over this matter until all terms and conditions set forth in this Agreement and Order have been met to the satisfaction of the Board.

K. WHEREAS, Dr. Myint acknowledges that the Board had a reasonable basis to believe that the statutes and/or regulations regulating the practice of Osteopathic Medicine in the State of Nevada may have been violated.

L. WHEREAS, in order to resolve the matter prior to it becoming a disciplinary proceeding and to save further costs and expenses, Dr. Myint has elected to enter into this Agreement to resolve this matter, and this matter only.

M. WHEREAS, Dr. Myint acknowledges that once accepted by the Board, this Agreement and all associated documentation become a matter of public record (with the exception of medical information related to the patient).
N. WHEREAS, Dr. Myint has had the opportunity to obtain the advice from competent counsel of his choice concerning the terms and conditions of this Agreement and the execution thereof. No coercion has been exerted upon Dr. Myint, nor have any promises been made other than those reflected in this Agreement. Dr. Myint freely and voluntarily entered into this agreement, motivated only by a desire to resolve the issues addressed herein. Dr. Myint has executed this Agreement only after a careful reading of it and a full understanding of all its terms.

O. WHEREAS, Dr. Myint is fully aware of his rights to contest the charges pending against him. These rights include: representation by an attorney at his own expense, the right to a public hearing on any charges or allegations filed, the right to confront and cross-examine witnesses called to testify against him, the right to present evidence on his own behalf, the right to compulsory process to secure the attendance of such witnesses, the right to testify on his own behalf, the right to receive written findings of fact and conclusions of law supporting the decision on the merits of the complaint and the right to obtain judicial review of the Board’s decision. Should the Board accept this Agreement, Dr. Myint voluntarily waives these rights.

P. WHEREAS, this Agreement and Order shall be construed in accordance with the laws of the State of Nevada.

Q. WHEREAS, this Agreement and Order contains a complete description of the agreement between the parties and it supersedes any previous agreements between the parties. All material representations, understandings and promises of the parties are contained in this Agreement. Any modifications must be set forth in writing, signed by all the parties, and approved by the Board.

III. TERMS OF THE AGREEMENT

A. Dr. Myint acknowledges that if the failure to report allegations is true, then each such act (failure to timely report along with the allegations that incorrect/inaccurate information was provided in various renewal applications) would be violations of NRS chapter 633 for which discipline is permissible under Nevada law. In exchange for the Board not pursuing an administrative action on either the non-reporting allegations or the inaccurate renewal applications, and Dr. Myint not pursuing subsequent reviews by the appropriate appellate Courts, the parties have agreed to resolve the current matter, and only this matter. Dr. Myint will henceforth insure that all lawsuits involving him will be timely and accurately reported to the Board, and the failure to do so may result in the Board bringing a disciplinary action against the osteopathic medical license issued by the Board to Dr. Myint. If any lawsuit is not reported to the Board, such will be in violation of this agreement as well as the applicable statutes. ADDITIONALLY, THE BOARD ACKNOWLEDGES, AND THE PARTIES DO HEREBY AGREE, THAT A DISCIPLINARY ACTION WILL NOT AND HAS NOT BEEN FILED BY THE BOARD; AND THAT THE PARTIES HAVE SIMPLY AGREED TO AN ADMINISTRATIVE FINE BEING ASSESSED SOLELY TO RESOLVE THE NON-REPORTING ISSUE. The Board hereby waives any claims or allegations with respect to inaccurate/incorrect renewal applications.

B. Dr. Myint agrees to pay the sum of Seven Hundred Fifty Dollars ($750.00) as the fine imposed for having violated NRS chapter 633. This sum includes all fees and costs incurred by the Board up to and including the approval of this settlement agreement by the Board at its next scheduled board meeting pursuant to NAC 633.470(2)(b)(6). Such amount shall be payable in monthly installments of $250.00
K. LASTLY, by executing this agreement, Respondent Physician hereby expressly, knowingly, and intentionally waive the 21-working days notice requirement pursuant to Nevada's Open Meeting Laws and acknowledges that this Agreement shall be on the agenda for the Board's approval in the month of Any 2010 and that the order of fulfillment shall be on the Board's agenda for approval in the month of Dec 2010.
