II. JURISDICTION/RECITALS

As a preamble to this Agreement, the Parties agree to the following jurisdictional
authorities and recital of the facts:

A. WHEREAS, the Board, through the Investigative Board Member, ascertained

B, failure to follow the established medical procedures for treating chronic pain
Patients A & B, and improper medical records keeping.

B. WHEREAS, Respondent is licensed in active status to practice osteopathic

D. WHEREAS, NRS 633.131(1) defines "unprofessional conduct," in part, as follows:
   (f) Engaging in any:
      (1) Professional conduct which is intended to deceive or which the
          board by regulation has determined is unethical;
(2) Medical practice harmful to the public .

(k) Willful disobedience of the regulations of the State Board of Health, the State Board of Pharmacy or the State Board of Osteopathic Medicine .

(m) Failure of a licensee to maintain timely, legible, accurate and complete medical records relating to the diagnosis, treatment and care of a patient .

E. WHEREAS, pursuant to NAC 633.350, a licensee engages in unethical conduct if he engages in any conduct that the Board determines constitutes an unfitness to practice osteopathic medicine; and pursuant to NAC 633.350, a licensee engages in unethical conduct if he willfully causes and files false reports, records, or claims in the licensee’s osteopathic medicine practice, or if the licensee fails to generate or create medical records relating to the diagnosis, treatment and care of a patient, or if the licensee prescribes a controlled substance in a manner or in an amount that the Board determines is excessive.

F. WHEREAS, NRS 633.511(5) provides that professional incompetence, malpractice, and gross malpractice are grounds for the initiation of disciplinary proceedings against an osteopathic physician by this Board.

G. WHEREAS, the term “gross malpractice” is defined in NRS 633.041 as malpractice wherein the failure to exercise the requisite degree of care, diligence or skill includes

Gross negligence;
Wilful disregard of established medical procedures; or
Wilful and consistent use of medical procedures, services or treatment considered by osteopathic physicians in the community to be inappropriate or unnecessary in the cases where used.

H. WHEREAS, NRS 633.111 defines professional incompetence as including the lack of ability to safely and skillfully practice osteopathic medicine.

I. WHEREAS, NRS 633.151 states that the “purpose of licensing osteopathic physicians and physician assistants is to protect the public health and safety and the general welfare of the people of [the State of Nevada]. Any license issued pursuant to this chapter is a revocable privilege, and a holder of such a license does not acquire thereby any vested right.”

J. WHEREAS, NRS 633.651 states, in part, as follows:

1. If the Board finds a person guilty in a disciplinary proceeding, it shall by order take one or more of the following actions:

   a. Place the person on probation for a specified period or until further order of the Board.
   b. Administer to the person a public reprimand.
   c. Limit the practice of the person to, or by the exclusion of, one or more specified branches of osteopathic medicine.
   d. Suspend the license of the person to practice osteopathic medicine for a specified period or until further order of the Board.
   e. Revoke the license of the person to practice osteopathic medicine.
   f. Impose a fine not to exceed $5,000 for each violation.
   g. Require supervision of the practice of the person.
   h. Require the person to perform community service without compensation.
   i. Require the person to complete any training or educational requirements specified by the Board.
   j. Require the person to participate in a program to correct alcohol or
drug dependence or any other impairment.
The order of the Board may contain such other terms, provisions or conditions as
the Board deems proper and which are not inconsistent with law.

2. The Board shall not administer a private reprimand.

K. WHEREAS, NRS 622.400(1) states that a "regulatory body [such as this Board] may recover from a person reasonable attorney's fees and costs that are incurred by the regulatory body as part of its investigative, administrative and disciplinary proceedings against the person if the regulatory body" either enters a final order or entertains into a settlement agreement.

L. WHEREAS, NRS 622.330(3) states that settlement agreements, such as the present document, shall be considered a public document.

M. WHEREAS, the parties have agreed to settle this matter, rather than requiring the Board to initiate a formal disciplinary proceeding and/or conduct an administrative hearing regarding Patients A and B.

N. WHEREAS, the parties understand that this Agreement will be signed by the respective parties and will then be offered to the Board for the entire Board's approval at the next Board meeting, with the recommendation of the Investigating Board Member that this matter be settled pursuant to the terms contained herein. The Agreement shall not become effective until it has been approved by a majority of the Board and endorsed by a representative member of the Board.

O. WHEREAS, Dr. DeShazo understands that the Board is free to accept or reject this Agreement and, if rejected by the Board, a formal disciplinary hearing will be immediately scheduled. The Board members who review this matter for approval of this Agreement may be the same members who ultimately hear the disciplinary complaint if this Agreement is not approved by the Board. Dr. DeShazo hereby agree to waive any rights he might have to challenge the impartiality of the Board to hear the disciplinary complaint, based on prior knowledge obtained by the Board through consideration of this Agreement, if after review by the Board, this Agreement is rejected. Furthermore, if the Board does not accept the Agreement, it shall be regarded as null and void.

P. WHEREAS, Dr. DeShazo acknowledges that the Board will retain jurisdiction over this matter until all terms and conditions set forth in this Agreement and Order have been met to the satisfaction of the Board.

Q. WHEREAS, Dr. DeShazo acknowledges that the Board had a reasonable basis to believe that the statutes and/or regulations regulating the practice of Osteopathic Medicine in Nevada have been violated with respect to Patients A and B.

R. WHEREAS, in order to resolve the matter prior to it proceeding to a formal disciplinary hearing and to save further costs and expenses, Dr. DeShazo has elected to enter into this Agreement to resolve this matter pertaining to Patients A and B, and only this matter.

S. WHEREAS, Dr. DeShazo acknowledges that once accepted by the Board, this Agreement and all associated documentation become a matter of public record (with the exception of medical information related to patients).

T. WHEREAS, Dr. DeShazo has had the opportunity to obtain the advice from competent counsel of his choice concerning the terms and conditions of this Agreement and the execution thereof. No coercion has been exerted upon Dr. DeShazo, nor have any promises been made other than those reflected in this Agreement. Dr. DeShazo freely and voluntarily entered into this agreement, motivated only by a desire to resolve the issues addressed herein. Dr. DeShazo has executed this Agreement only after a careful reading of it and a full
WHEREAS, Dr. DeShazo is fully aware of his rights to contest the charges pending against him. These rights include: representation by an attorney at his own expense, the right to a public hearing on any charges or allegations filed, the right to confront and cross-examine witnesses called to testify against him, the right to present evidence on his own behalf, the right to compulsory process to secure the attendance of such witnesses, the right to testify on his own behalf, the right to receive written findings of fact and conclusions of law supporting the decision on the merits of the complaint and the right to obtain judicial review of the Board's decision. Should the Board accept this Agreement, Dr. DeShazo voluntarily waives these rights.

V. WHEREAS, this Agreement and Order shall be construed in accordance with the laws of the State of Nevada.

W. WHEREAS, this Agreement and Order contains a complete description of the agreement between the parties and it supersedes any previous agreements between the parties. All material representations, understandings and promises of the parties are contained in this Agreement. Any modifications must be set forth in writing, signed by all the parties, and approved by the Board.

III. TERMS OF THE AGREEMENT

A. Dr. DeShazo acknowledges that the Board has sufficient evidence to support claims (1) that the medical records pertaining to patients A and B were inadequate, incomplete, and/or inconsistent, (2) that he did not practice pain management with Patients A and B according to the established medical procedures and/or consistent with this medical community's standard and/or such medical treatment may be deemed harmful to the public's health, safety, and welfare; and (3) that Patients A and B may have received excessive prescriptions for opiates. Each such act, if proven at an administrative hearing, would be a violation of NRS chapter 633 for which discipline is permissible under Nevada law.

B. Dr. DeShazo is not admitting that the above-referenced claims have merit and, in fact, is specifically pleading "no contest" to these claims to resolve this matter thus avoiding further litigation and its associated costs and expenses.

C. In exchange for the Board not pursuing an administrative action and formal disciplinary hearing, and Dr. DeShazo not pursuing subsequent reviews by the appropriate appellate Courts, the parties have agreed to resolve all aspects of the current matters involving Patients A and B as described in this Agreement.

D. The parties to this agreement understand and acknowledge that no formal document with findings and conclusions regarding Dr. DeShazo's alleged negligence, deviation from the standard of medical care for this community, or other violations of Nevada law have been made by the Board or its Hearing Officer in this matter. Furthermore, no evidence has been presented to the Board by Dr. DeShazo contesting these matters, and neither the Board nor its Hearing Officer has made an evaluation or assessment concerning any of Dr. DeShazo's defenses to the claims mentioned in this agreement.

E. Dr. DeShazo agrees to a suspension of his Nevada Osteopathic medicine license (License No. 380) for a period of one month, i.e., beginning the 17th day of January, 2011, and ending on the 16th day of February, 2011.
F. Dr. DeShazo agrees to cease treating chronic pain patients and that such patients will be immediately referred to a pain management specialist. This cessation will occur on or before the 1st day of February, 2011, thus allowing the proper transfer of his patients' care. Dr. DeShazo will be able to treat acute pain patients with opioid prescriptions if such course of treatment is for thirty (30) days or less.

G. Dr. DeShazo agrees to take three classes in the areas of (1) medical records keeping, (2) controlled substances, and (3) opiate prescribing/excessive prescribing. Each of these classes shall not be less than 5 CME credits per class or a total of 5 credits of CME in each area if one single class cannot be obtained for 5 CME credits. This shall be accomplished by December 31, 2011; and the 15 credits may be applied towards the mandatory CMEs required of all osteopathic physicians. Dr. DeShazo shall provide proof to the Board, however, that he has attended such classes within sixty (60) days after the completion of each such class identified in this Agreement.

H. Dr. DeShazo agrees to a three (3) year probationary period to assure compliance with this agreement. That probationary period shall commence after the completion of the one-month suspension, i.e., the probation shall commence on the 1st day of January, 2011 and shall terminate on the 31st day of December, 2013. During that probationary time, the Board shall conduct four (4) random audits of Dr. DeShazo's practice per year, beginning the 1st day of March, 2011. The random audits will consist of reviewing the medical records files of five (5) patients as identified and/or selected by the Board's representatives. The Board shall notify the John Cotton & Associates Law Firm of the date of each such audit. Should the law firm of John Cotton & Associates no longer represent Dr. DeShazo, Dr. DeShazo will be notified of the audit at his last known address and phone number as contained within the records of the Board.

I. Dr. DeShazo agrees to pay the sum of Twenty Thousand Dollars ($20,000.00) as the fine imposed for having violated NRS and NAC chapters 633. This sum includes all fees and costs incurred by the Board up to and including the approval of this settlement agreement by the Board at its next scheduled board meeting pursuant to NAC 633.470(2)(b)(6). Such amount shall be payable at the monthly rate of Eight Hundred, Thirty-three Dollars & thirty-three cents ($833.33) per month beginning on the 1st day of January, 2011, and shall continue to be due on the first day of each month thereafter until paid in full, with the last payment being in the amount of $833.41.

J. Dr. DeShazo understands that failure to comply with any portion of this agreement, including the payment plan set forth above, may result in an administrative action being filed and/or taken against the said Dr. Gary DeShazo.

K. The Respondent, Dr. DeShazo, agrees to bear his own fees and costs, including the fees and expenses of his own attorney(s) if applicable.

L. This Agreement and Order shall inure to the benefit of and be binding upon each of the parties hereto and their respective heirs, personal representatives, assigns and successors in interest of each party.

M. This Agreement and Order shall be construed in accordance with the laws of the State of Nevada.

N. This settlement agreement consists of seven (7) pages and embodies the entire agreement between the Board and the osteopathic physician. It may not be altered, amended or modified without the express consent of the parties, and
any subsequent alteration, amendment, or modification shall be in writing and subject to approval by the Board.

O. In consideration for the execution of this Agreement, Dr. DeShazo hereby releases and forever discharges the State of Nevada, the Board of Osteopathic Medicine, and the State Attorney General’s Office (as counsel for the Board), and each of their representatives, members, agents, investigators, and/or employees, in their individual and representative capacity (collectively the State Agencies) from any and all manner of actions, causes of actions, suits, debts, judgments, executions, claims, and demands whatsoever known or unknown, in law and in equity, that he may have had, now has, may have had, or claim to have against any and all of the persons and entities named herein arising out of, or by reason of, the investigation of the allegations raised in this matter, and other matters relating thereto.

P. Dr. DeShazo, for himself, his heirs, executors, administrators, successors and assigns, hereby indemnifies and holds harmless the State of Nevada, the Nevada State Board of Osteopathic Medicine, the Nevada Attorney General’s office and each of their members, agents and employees in their individual and representative capacities against any and all claims, suits, demands, actions, debts, damages, costs, charges, and expenses, including court costs and attorney’s fees against any persons or entities as well as all liability, losses, and damages of any nature whatsoever that the persons and entities named in this paragraph shall have or may at any time sustain or suffer by reason of this investigation, this settlement or its administration.

Q. This document may be prepared in multiple counterparts. Each counterpart, whether it be originally typed, a carbon, photocopy, facsimile or other type of copy, shall be deemed an original hereof if executed by each of the Parties hereto.

R. LASTLY, by executing this agreement, Physician hereby expressly, knowingly, and intentionally waives the 21-working days notice requirement pursuant to Nevada’s Open Meeting Laws and acknowledges that this Agreement shall be on the agenda for the Board’s approval in the month of December, 2010.
